

Special Thanks to HSPA's Test Development SMEs

HSPA's in-person test development meeting took place January 13–14 in Chicago, and we couldn't be more grateful for the 15 subject matter experts (SMEs) who made the trip and dedicated their valuable time and expertise. Successful test development simply doesn't happen without SMEs!

SARAH MOSES PROMOTED TO HSPA'S PROJECT MANAGER

We are pleased to announce that Sarah Moses, former HSPA Project Coordinator, has been promoted to Project Manager. In her new position, Sarah will take the lead on conference technology while continuing her support of the database and other hands-on projects to further assist the Association. Congratulations, Sarah—we are proud to have you as an integral part of the HSPA team!

VISIT WWW.MYHSPA.ORG FOR YOUR MEMBERSHIP, CERTIFICATION & PROFESSIONAL NEEDS

Our Association's website may have a different URL (www.myhspa.org) in light of our name change from IAHCSSM to HSPA, but it's still loaded with the same great content you've come to love and expect from us over the years—including the Member Portal that provides easy access to your current certification and membership information, publications and more; our blog, industry and Association News; educational resources (e.g., webinars, podcasts, lesson plans and resource documents); advocacy initiatives; HSPA Foundation updates; chapter listings; HSPA store, and much, much more.

We encourage you to bookmark our website and visit it frequently to stay abreast of the latest news and updates, and to monitor your membership, certification and continuing education status.

Note: If it's your first time visiting the new HSPA site, you will need to set up your new password (using your primary email) in order to log in and access the Member Portal.
